THE MINISTER OF STATE IN THE MINISTRY OF PLANNING AND THE MINISTER OF STATE IN THE MINISTRY OF PROGRAMME IMPLEMENTATION (SHRI BHAGEY GOBARDHAN): No, Sir. The Approach Paper, recently approved by the Cabinet, sets out the basic approach arid the targetted rate of growth for the Eighth Five Year Plan. • Details of the sectoral allocations for. the Plan will be provided in the Eighth Plan document.

Expenditure incurred on investigationsinto alleged payment of commissionby M/s Bofors in Gun deal

2158. SHRI S. S. AHLUWALIA:
SHRIMATI SATYA BAHIN:

Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that Government have been incurring huge expenditure on account of investigations into the alleged payment of commission by M/s Bofors in the 155mm Gun deal;

(b) what is the number of persons who visited foreign countries in connection with these investigation, the number of trips undertaken by them so far;

(c) the details of expenses incurred by Government since 1987 upto 31st March, 90 on this investigations, showing rupees and foreign exchange out-go separately;

(d) the total hours of the Parliament spent so far on the 'Bofors' issue; and

(e) the expenses incurred from the public exchequer on account of Parliament time on this issue?

THE MINISTER OF STATE IN THE MINISTRY OF DEFENCE (DR. RAJA RAMANNA): (a) to (c) Ten officers of the Government have visited foreign countries in connection with the investigation. Only the required expenditure has been incurred.

(d) and (e) As Parliament is a sovereign institution, Government does not possess this information.

Pollutants detected under Ganga Action Plan

2159. SHRI SHAMIM HASHMI: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) what are the main pollutants detected under the Ganga Action Plan which has been running for last few years;

(b) whether any standards have been laid down for all the pollutants; if so, whether these are within the prescribed limits;

(c) whether all pollutants in the Ganga are being tested; and

(d) what corrective steps have been taken to ensure that integrated pollutants are not discharged

in the river by any person, agoncy or Industry?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRIMATI MANEKA GANDHI): (a) The main pollutants detected amongst the 42 water quality parameters tested under the Ganga Action Plan are suspended solids, oxidisable organic matter, heavy metals and pesticides, faecal and total coliforms.

(b) Yes, Sir. Water quality in respect of the proscribed parameters, except for total coliforms, is within the prescribed limits in the Ganga, with some exceptions at certain times.

(c) No, Sir.

(d) Under the Ganga Action Plan, emphasis is being laid on interception and diversion of municipal wastewater from entering into the river. Eightynine interception and diversion schemes and 35 sewage treatment plants have been sanctioned. Of these, 46 interception and diversion schemes and 5 sewage treatment plants have been completed. As a result of the schemes already completed, 368 mld of Municipal waste water flowing into the river has been intercepted and diverted. Sixtyeight industrial units along the mainstream of the River have been identified as gross polluters. Of these 37 units have set up Effluent Treatment Plants, in 13 units these are being set Up on, 10 have closed down and action is being taken in regard to the other eight.
